Dear **Dr. Rubio**,

Greetings of Peace!

In the recent Apostolic Letter of His Holiness Pope Benedict XVI to the Catholic Bishops Conference of the Philippines (CBCP), he encouraged and exhorted the Hierarchy and the faithful to defend the sacredness of human life and the sanctity of the family.

In response to this, the **Human Life International- Pilipinas** will be conducting a *one-day Seminar on Reproductive Health and the reality of Population Explosion on August 13, 2011 from 8 am – 5 pm at the Pius XII Catholic Center Auditorium (near LRT UN Station Avenue), City of Manila.*

In line with this, may we invite four (4) Elementary School Teachers and four (4) Secondary School Teachers from each school of the Division of Quezon City to attend the said event. Registration is free, however, the participants are requested to bring their packed lunch. Please fax the names of the participants at the secretariat office. For more information please call at 4538545.

Knowing your fair judgment on the moral issues we face today, may our request merit your favorable response.

Thank you and God bless!
