30 July 2009

Dr. Teresita G. Damalanta
Director for Department of Education - NCR
Misamis Street, Bagumbayan, Quezon City

Dear Madam:

Greetings from Mathematics and Science Research and Development Institute!

The Mathematics and Science Research and Development Institute in cooperation with the Unibersidad De Manila – Office of Student Affairs will be hosting a seminar on mathematics and science education with the theme, “Innovative Teaching Strategies on Mathematics and Science Education” on August 31, 2009 at the Palma Hall, Unibersidad De Manila (beside LRT central terminal and near to SM Manila and Manila City Hall).

There will be a plenary session in the morning and parallel discussions on mathematics and science in the afternoon.

Our guest speakers-facilitators will discuss math-related and science-related topics in relation to the aforementioned theme that aim to: (1) enhance the awareness of the participants about the innovation of mathematics and science education; (2) give an opportunity for the participants to learn how to strengthen their teaching strategies in mathematics and science; (3) provide a forum for the exchange of ideas to innovate the teaching and learning of science and mathematics; and (4) encourage the participants to use their intelligence in developing new innovative methodologies and strategies in teaching mathematics and science subjects.

In this view, we would like to request your office to endorse the said seminar to the offices of the Divisions of City Schools in the National Capital Region for the support and participation of all concerned in elementary and high schools.

We attached the registration mechanics and other details of the conference for your reference. Our contact information are (02) 583-9241, (02) 707-1228, or (02) 393-0523 and look for Rommel.

We are looking forward for your favorable response to this request. Your endorsement will help us to extend our services and strengthening our mission in improving the Filipinos mathematics and science education.

Thank you very much.

Yours very truly,

Rommel T. Noda
Director for Academic Operations

REGISTRATION MECHANICS

All participants are requested to register for the seminar earlier. We also advise the participants to contact us immediately for the reservation of their slots in the said seminar.

Accomplished registration forms should be sent to MATHSCIRDI together with proof of payment of the registration fee. There are two ways to register:

1. Registration by phone

Call (02) 563-9241 or (02) 707-1228 for the listing of the names of participants

2. Registration by email

Send the registration information along with the proof of payment to mathscirdi@yahoo.com. Since we do not have the record of your email address please email us at mathscirdi@yahoo.com and we will send you the electronic copy of registration form and other details of the seminar.

CONFERENCE REGISTRATION FEE

(includes conference bag, ID, proceedings in CD form, lunch and snacks)

Php 1,000.00 (non-refundable)

INQUIRIES/ASSISTANCE

Registration: (02) 583-9241 – ask for Rex
(02) 707-1228 – ask for Rommel
