Division Superintendent

Tel No: (02) 4560343

Dear Ms. Fuentes,

Cordial greetings!

The Children's Library, along with its partners Ortigas Library and Lopez Memorial Museum and Library will be holding its **9th Annual Teacher-Librarian Seminar** on **August 18, 2009 from 8:30 am – 4:00 pm** at the **Lopez Memorial Museum & Libraries and Ortigas Library**.

This year, the Teacher – Librarian Seminar aims to instill the importance of building and maintaining the libraries in every educational institution and equip the teachers with Weeding Policies and Library Management. As in previous years, we continue our commitment to the communities we serve by offering this workshop free of charge to participating public school teachers.

We would like to request your assistance by allowing the public school teacher-librarians in your district to attend the seminar. We have reserved **20 slots in Quezon City and Caloocan participants**. May we request, however, that you give priority to those with little or no formal training in Library Science as they would benefit most from the seminar?

Registration is now on going and is on a first come first served basis. Attached is a copy of the reply form.

We would be honored to work together with you as we continue to fulfill our vision of making quality non-profit, multi-media children's libraries accessible to every elementary school student; where organizations contribute to the total development of the Filipino child.

We hope that you will find this seminar worthy of your attention. If you have any questions, please do not hesitate to call our branch in Novaliches, Quezon City at (02) 9353011.

Thank you very much.

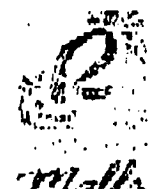

Sincerely,

MS. JEMMA EMERALD M. ZAFRA
Project Development Assistant
