Office of the City Mayor
SCHOLARSHIP AND YOUTH DEVELOPMENT PROGRAM
Union of New Leaders and Advocates for Development

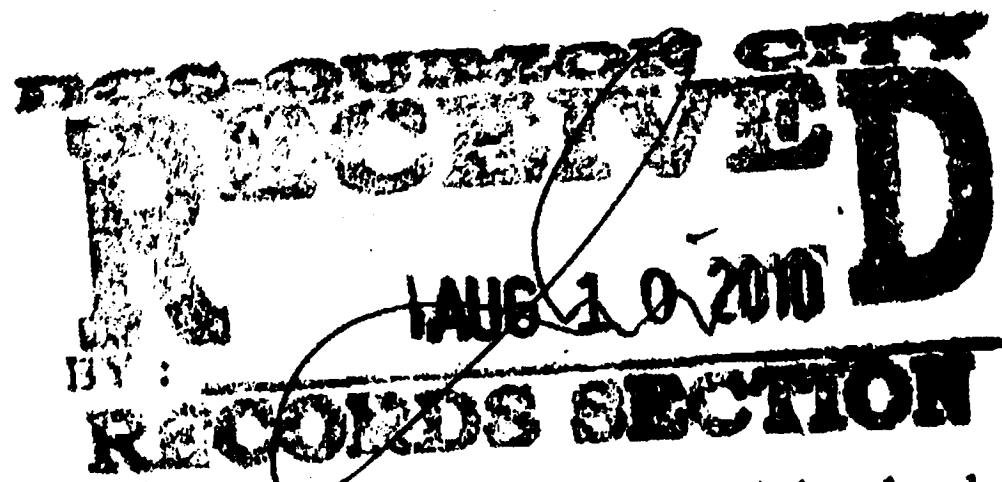

August 9, 2010

Dr. Corazon C. Rubio
Officer-in-charge, Division of City Schools
Quezon City

Dear Madam:

Greetings of a blessed day!

The Union of New Leaders and Advocates for Development (UNLAD) is an association of high school valedictorians, salutatorians, and saraguniang kabataan officials who are currently scholars under the Scholarship and Youth Development Program of the Office of the City Mayor, Quezon City.

In partnership with the ISA-2H1 Class of the Polytechnic University of the Philippines College of Accountancy, the organization is planning to conduct a seminar about climate change with the theme: **"REDUCTION OF CARBON FOOTPRINTS"** of which the participants are Quezon City government scholars, high school student council vice presidents, and science and technology club president. The speaker is a professor from the Polytechnic University of the Philippines, a former director of Climate Change Commission.

The seminar is scheduled on August 28, Saturday, 12-5pm at Bulwagang Amoranto, 3rd Floor, Office of the City Mayor, Quezon City Hall. In line with this, we would like to seek recommendation for high school principals to send their high school student council vice presidents, and science and technology club presidents.

Your positive response with regards to this matter will be highly appreciated.

Thank you very much.

Sincerely yours,

LOUIE BOY G. DE REAL
President, UNLAD
