Dear Dr. Domalanta:

The School of Education and Human Development of the University of Asia and the Pacific will hold a two-day seminar-workshop entitled **High School's Dynamic Duo: The Principal and the Guidance Counselor Tandem** (*Why and How Their Teamwork Enhances Students' Well-Being, Academic Achievement, and Career Readiness*) on September 9 and 10, 2009 at the UA&P Ortigas campus, Pasig City.

In view of the recent implementation of R.A. 9258 (also known as the Guidance and Counseling Act), we have put together this seminar-workshop to help high school principals and guidance counselors design school programs that will address student well-being, academic achievement, and career readiness.

The following are the specific objectives of the seminar-workshop:

- a. to enable the participants to gain knowledge of the three phenomena: (i) student well-being, (ii) academic achievement, and (iii) career readiness;
- b. to enable the participants to gain awareness of DepEd's policies and practices that address student well-being, academic achievement, and career readiness;
- c. to identify challenges being faced by high school principals and guidance counselors; and
- d. to identify opportunities for high school principals and guidance counselors to provide or improve their current services related to student well-being, academic achievement, and career readiness.

We hope your office can inform all public secondary schools in NCR about this seminar-workshop. If you have any question regarding the activity, your office can contact Dr. Gladys B. Golo, Secretary of the Operations Committee of the School of Education and Human Development (mobile # 09228765532 or 634-2828)

Sincerely yours,

CELERINO C. TIONGCO, ED.D.

MS. CURIE GANADEN
 DIVISION SUPERVISOR – GUIDANCE and COUNSELING
 DepEd Quezon City
 Bago Bantay, Quezon City

Dear Ms. Ganaden:

We are pleased to invite you to a special two-day seminar-workshop on *High School's Dynamic Duo: The Principal and the Guidance Counselor (Why and How Their Teamwork Enhances Student Well-Being, Academic Achievement, and Career Readiness)*. The seminar-workshop will be held on September 9 (Wednesday) and 10 (Thursday), 2009, from 8:00 a.m. to 4:30 p.m. on both days, at the Telengtán Hall, APEC Communications Building, at the Ortigas campus of UA&P. Please see the enclosed program and registration form for details.

Participants in the seminar-workshop will gain, among other things, valuable knowledge and perspectives that can help high school principals, guidance counselors, and teachers in addressing challenges and identifying opportunities for the improvement of school services related to student well-being, academic achievement, and career readiness.

Given the theme, content, and design of the seminar-workshop, we highly recommend that each participating high school send both its principal and its guidance counselor to the activity. This way, the school will maximize the benefits of participating in the seminar-workshop, including a discounted fee for team participation. Individual participants will also be admitted, but the discounted fee will not apply in their case.

The seminar-workshop fee for team and individual participants includes morning and afternoon snacks, lunch, the conference kit, and the certificate of participation:

Team (Principal and Guidance Counselor/Teacher) : PhP5,000.00
 Individual (Principal or Guidance Counselor or Teacher alone) : PhP3,500.00

For reservations or more information, please call 634-2828 and ask for Ms. Lexie Estacio (lexie@uap.edu.ph) or Ms. Jade Flora (jflora@uap.edu.ph). We look forward to your participation.

Sincerely yours,

Joyce Mondejar Dy, Ph.D., RGC
