We are forwarding herewith a copy of the letter of Ms. Jean Goulbourn, President of Natasha Goulbourn Foundation dated 22 July 2011, inviting the School Heads/Principals of all public schools in the Division of Quezon City, to attend the Ribbon Cutting Ceremony for the launching of their program "Walk and Light for Hope". This event shall be held in commemoration of World Suicide Prevention Day.

The launching/ribbon cutting ceremony is scheduled on 9 September 2011 at the Quezon Memorial Circle, Elliptical Road, Diliman, Quezon City at 2:00 p.m. The expected learnings on depression, its symptoms and applications to those who may be suffering from this mental illness, especially our school children, would be very much helpful.

For these reasons, we would like to encourage the concerned School Heads/Principals to attend this activity for the benefit of our school children.

For your immediate attention and appropriate action.

Subject: INVITATION OF PUBLIC SCHOOL TEACHERS FOR RIBBON CUTTING

Dear Bro. Luistro,

*Greetings of Peace from the Natasha Goulbourn Foundation!*

As we have been discussing these last few months, we are launching an event on **September 09, 2011 (Friday)** called **Walk and Light for Hope** at the **Quezon Memorial Circle, Elliptical Road, Diliman, Quezon City**. This event is going to be held in commemoration of World Suicide Prevention Day which is held globally on September 10.

This event will have booths from your good office, DOH and the DSWD along with three schools, namely Miriam College, University of the Philippines and Ateneo University. The activity and exhibit booths will allow the participants to learn more about depression- how to recognize the symptoms and how to help loved ones who may be suffering from this mental illness.

We have planned to formally open the booths at **2:00 p.m.** with a **ribbon cutting ceremony**. I would like to request your good office to assist us in inviting the principals of all the public schools in Quezon City to participate in this activity.

I believe that the presence of these academic leaders would further encourage the public that there is **HOPE** for depression. Depression is treatable! Depression is preventable!

I hope to hear a favorable response from you soon!

Sincerely,

*Jeannie Goulbourn*
