Dear Dr. Magday:

This Office is conducting an Inventory of Science and Mathematics Laboratories for all public secondary and elementary schools within the Region to get an overview of the facilities needed to improve science teaching in the country.

All regional data will be consolidated to come up with a nationwide data bank. The information will be the basis for proposals for the new construction or conversion of a regular classroom into Science and Mathematics laboratories in the future.

Please provide the needed information in the attach Inventory of Science and Mathematics Laboratories Form and return the filled-up Form on or before **September 15, 2010.**

Your valuable support to this activity is highly needed and appreciated.

Thank you.

Very truly yours,

RAUL C. LA ROSA
Director III
