The Video and Poster-Making Contests are part of the various activities nationwide for the Teachers' Month Campaign (TMC) which will culminate on 5 October 2011, World Teachers' Day as designated by UNESCO.

As one of the main pillars of a sound, progressive and educated society, our teachers should be given the recognition they deserve. They bear the weight and responsibility of teaching, and, apart from parents, they are the main source of knowledge and values for children.

Through the student-produced videos and posters, we will be able to highlight their far-reaching and profound influence in our society being the front-liners of education and learning.
