First of all, thank you for continuing to support our joint project, the *Edukasyong Kalidad na August sa Iba Quezon City! (e-KASI QCI)*. The success of all our joint project's endeavors would not have been possible without your unwavering monitoring and assistance.

This will be facilitated by Ms. Justina Tan, a visiting professor from the Psychology Department of the National Institute of Education in Singapore. She will share her knowledge on what teachers can do to increase the adversity quotient of students. We have reserved two slots for each high school in Quezon City. The details of the programs are as follows:
