In Re: Voluntary Financial Assistance for the Dismissed  
Teachers of Pres. Corazon C. Aquino E/S

Madam:

Good day!

This is a tri-level/joint agreement and undertaking of the following signatories to assist the teachers of PCCAES to lessen the burden of the situation they are in now. We are urgently appealing for your generosity to shell out financial support for them.

Your voluntary financial assistance will surely redound to alleviate the very heavy load each one of them is trying to grapple with faced with the very harsh penalty.

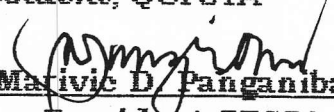

Please send your voluntary financial assistance to the school and have it acknowledged. Mr. Paulino M. Medrano will receive your financial assistance for the teachers.

Thank you so much!

Very truly yours,

France M. Castro  
President, QCPSTA

  
Sally B. Barcelona  
President, PRINSA

  
Marivic D. Panganiban  
President, PESPA
