SUBJECT : Endorsement of the Play Entitled "*Gulong*"

DATE : August 10, 2009

Attached is a letter referred to us by the Office of the Secretary from STAGES Production Specialists Inc. requesting for the Department of Education's endorsement of the play entitled "*Gulong*". STAGES is the production outfit where our DepED Youth Spokesperson Sam Concepcion is a talent.

The story has won the Carlos Palanca Award for literature in 2004 which has been made into a movie in 2007. The values that the play wishes to instill are very timely and appropriate for our pupils and students.

In this regard, we strongly recommend that we endorse the play to all our public and private elementary and secondary schools in the National Capital Region for their pupils, students and teachers to watch as part of their activities. The learning that they will get from watching the play will inspire them to practice good values and imbibe the character that is so desperately need to teach our school children.

Scheduled on weekends in November, the play will certainly ensure that classes will not be disrupted. Further, the venue, SM Megamall's Cinema 4, is safe and accessible to all.

We hope of your generous consideration of this recommendation.

Please allow us to follow up on this matter. For coordination, we may be reached thru telephone numbers 631-8495.

Thank you very much and God Bless!

Atty. Sally E. Uy
