MUNICIPAL, MAYOR

QUEZON, CITY

The undersigned through our representative from this corporation most respectfully request permission to coordinate with your good office regarding our project on "Vegetable Seeds" distribution for planting as part of student gardening activity. We also believe that this meaningful effort can be extended in their backyard of the families and community. This kind of project also helps our environment through BIO INTENSIVE GARDENING, CLEAN AND GREEN PROJECT.

It is therefore through this medium of seed selling the student population. We find it most to get little proceeds for our active members specially in the depressed areas like Gumaok West San Jose City Bulacan.

Thank you for kind of courtesy and accommodation will extend to our organization.

Sincerely yours

Josephine A. Ramos
