DR. ELENA RUIZ

OIC – Regional Director
Department of Education – NCR
Bago Bantay, Quezon City

Dear Dr. Ruiz:

The Philippine Science Centrum (PSC) is inviting all DepEd – NCR Superintendents and Science Supervisors (both elementary and high school) to a half-day educational activity dubbed as **"Science Immersion Day"** on October 14, 2011, Friday, 8:00am – 12:00noon at the PSC Science Hall, ECOM Bldg., Riverbanks Center, Marikina City.

The Science Immersion Day is aimed at introducing the Science Centrum as:

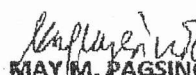

1. 'the outdoor science classroom' for students in all levels with its collection of exciting hands-on science exhibits as teaching devices;
2. a training facility for teachers in adopting effective and interactive approaches in teaching science subjects; and
3. a venue for students and teachers to engage in educational activities such as symposiums, lecture-presentations by local and international scientists and experts, science competitions, etc...

All attendees will be given hand-outs, sample kit of PSC's "Hands On Minds On Microscale Technique in Teaching Chemistry" workshop, certificate of attendance and surprise freebies. A sample activity demo will also be conducted by PSC's resident scientist-consultant, Prof. Cora Salumbides, a 2009 DOST Balik Scientist Awardee and Education Consultant of Jefferson Union High School of California.

It is in this light that we seek your support by issuing a memorandum inviting the aforementioned target attendees. Also, may we invite you to attend this gathering and give an inspirational message during the short opening program.

Thank you very much and we look forward to your acceptance of our invitation.

Very truly yours,

MAY M. PAGSINOHIN
Executive Director
