**"Your Family will love this inspirational film"**

It was the cruelest of times. Under Herod's torturous reign, families struggled to survive and yet, in the midst of utter turmoil, a young woman's faith was put to the test. Join Mary and Joseph on an incredible journey of hope and discovery. Epic in its scope, yet intimate in its portrayal of this historical family, this "wonderful film" is a "family feature that will cherished for years to come", powerful, timeless and visually magnificent, the **NATIVITY STORY** is a beautiful telling of one of the world's most familiar stories.
