June 17, 2012

**DR. CORAZON C. RUBIO, CESO VI**  
Schools Division Superintendent  
Quezon City Schools Division Office

Dear Dr. Rubio,

Greetings of peace!

The Ateneo Center for Educational Development (ACED) - the arm of the Ateneo de Manila University in helping uplift public basic education in the country has partnered with the Couples for Christ Global Mission Foundation, Inc. (CFC) in order to introduce formation programs that seek to equip youth and adults in the school community with the human and social, moral and spiritual, and professional aspects of development. Moreover, skills will be provided in order to improve student performance and enable participants to become productive members of society.

The program has been dubbed "Cornerstone," recognizing the integral role of education in uplifting the state of poverty in our nation. This program has four (4) components. The Elementary Program aims to reach out to slow readers in public schools through reading tutorials and orient their values through formation sessions. The High School Program aims to reach out to High School student leaders. Family support is provided through Parenting Formation; and, Child Sponsorships will be given to gifted students in the High School. The table below summarizes these components:
