Sir / Madam:

The Philippine Professional Linkage From Various Discipline, Inc. which is based in Tarlac City, a non - stock and non - profit organization and SEC registered # 201126903 will be holding seminars and trainings in the different parts of the country on different topics and dates.

Please see the attached invitations for your referral.

I, Prof. REMEDIOS M. ESPERON, the seminar director of the organization would want to respectfully request from your good and venerable office for the endorsement of our seminars and other seminars that will be held in your region or other regions for that matter. Since, our organization has an advocacy of helping teachers in the upgrading and updating their professions thru attendance of seminars, I am sure that it is also your advocacy, in looking at the welfare of your treasured teachers. May I therefore, with a humble heart, request you to become our partner in this noble endeavor for the good of our youth because no matter how much the teachers would want to give more to the students if they don't have, they can not. Our youth deserve the best learning and teachers can only give this if they are updated in the knowledge of their respective professions.

In grateful appreciation of the favor your office will accord us, our organization is also more than willing to dole out help either in the form of donation in kind or financial assistance that your office so needed. Just after the seminar, you can come at the venue and claim the donation that our organization has promised to donate.

May this be the start of out good partnership, and we look forward for better and more harmonious relations with one another.

May God Bless every endeavor you will have for the betterment of the educational system of our country and countrymen.

Should you give suggestions on any topic that your teachers need, we are more than willing to comply.

Thank you and I am

Respectfully,

PROF. REMEDIOS M. ESPERON
