Dear Dr. Rubio,

As new Dean of School at the Beacon School, I am delighted to invite teachers from the Quezon City School District to a Professional Development opportunity at the Beacon School Auditorium on Friday, September 14th, at 1:00 pm.

Mr. John Joseph, a leading educational specialist from Australia, will present on recent research about learning and its implications for teachers. Mr. Joseph has presented to over 250,000 teachers and 140,000 students internationally. He is an engaging speaker and his talks provide a balance of both theory and practical anecdote.

Space for this presentation is limited to 20 teachers from your district and registration is on a first come first served basis. We encourage you to register early to avoid disappointment.

More information about this opportunity, including how to register, is enclosed, as well as a map to our campus.

If you have questions about this Professional Development opportunity, please call Ms. Riya Daryani at 02 8405040 loc 105, or email her at rlm111@beaconschool.ph

Best wishes.

Mary Catherine Chua
