Dear Hon. Belmonte:

We are pleased to inform you once again of the availability of the **2013 Science and Technology Scholarships** for qualified graduating senior high school students all over the country. The DOST-SEI Undergraduate Scholarship Examination will be conducted nationwide on **18 November 2012 (Sunday)** and the filing of application will be until **5 October 2012 (Friday)**.

Yearly, we have been seeking your assistance in the dissemination of the scholarship information to your qualified constituents who may be interested to take up careers in S&T. However, it may be noted that there are municipalities in your district which did not have examinees in the last four (4) years, i.e. 2009-2012. Please see attached list of these municipalities for your reference.

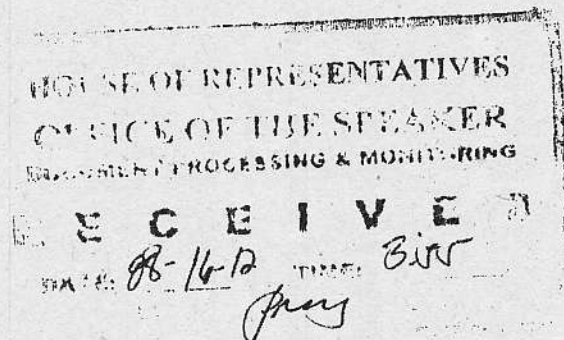

For wider student participation in the scholarship examination, may we request again your office to help us in the distribution and dissemination of the enclosed copies of the Information Sheet, brochure and poster to your constituents, especially in the listed municipalities.

Thank you for your usual support to the S&T Scholarship Programs.

Very truly yours,

  
**MARIO G. MONTEJO**  
Secretary

## F. Scholarship Requirements

- An awardee must seek admission and enroll at any of the:
  - State universities and colleges.
  - Tertiary institutions identified as Centers of Excellence or Centers of Development by CHED for the priority courses.
  - DOST-SEI identified network institutions.

*He/She should pass the qualifying examination for admission to the university where he/she plans to enroll in.*

- An awardee shall comply with the terms of the Scholarship Agreement to be entered into between himself/herself, parents or legal guardian and the DOST-SEI.
- After signing the Scholarship Agreement, the awardee's name shall be included in the lists of scholars needing clearance from DOST-SEI forwarded to the appropriate government agencies for tracking purposes.
- An awardee shall maintain the grade requirements of the scholarship.
- Upon completion of his/her course, an awardee shall serve in the country, preferably in his/her home region, on full-time basis along his/her field of training for a minimum period equivalent to the length of time he/she enjoyed the scholarship.

## G. Examination Coverage

This is an aptitude test designed to measure abilities that determine academic and professional success in science, mathematics and engineering. The test is divided into two major components:

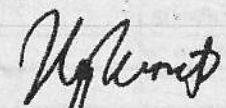

- Intellective**  
Scientific Ability, Quantitative Ability, Mechanical and Technical Ability, Linguistic Ability, Imagery, Inspection, Sensorimotor Ability and Working Memory.
- Non-Intellective**

## H. Selection Criteria

The awardees shall be selected on the basis of their performance in the 2013 S & T Scholarship Examination.

## I. Final Selection

The list of awardees as approved and announced by the DOST Secretary is final and unappealable.
