Dear Madam:

Greetings of Peace!

The **UP Organization of Business Economics Majors (UP OBEM)** after 25 years of existence has been one of the most dynamic socio-academic organizations promoting holistic development not only among college students but to high school students as well. Aside from developing competencies among students, the organization puts priority on its social activities aimed to help other people.

In order to further promote its thrusts of unity, service and excellence, the organization is again organizing an **inter-high school street dance competition** entitled **BEAT V: Circuit Break**. Aside from providing a venue for high school students, from Mega Manila, to further develop their potentials, the event will also serve as a fund-raising project for **Tahanan Sta. Luisa, Inc.** Tahanan Sta. Luisa is an NGO whose principal purpose is to address the healing and recovery of sexually and physically abused girls aged 11 – 15 years old.

This academic year's **BEAT** is focused on the topic: Healing and Recovery of Sexually and Physically Abused Females and will be guided by the theme "**Circuit Break**" to be held on **September 22, 2012** from **12pm-5pm** within the vicinity of **UP Diliman..** It aims to open the eyes of teenagers, especially high school students, to the life's reality and the different scenarios surrounding them. It also aims to impart importance of healing and moving forward, as well as breaking free from the status quo so as to begin good change. Lastly, it aims to encourage students to impart their talents so as to be of help to society.
